

1

Memory

Look at the words and try to remember as many as possible, then go to your teacher!

trunk	leaf	birch	needle
pine	root	bark	cone
twig	spruce	branch	stump

2

Odd and even

Fetch an odd number of leaves and an even number of sticks.

Put them in your nest

3

The Alphabet

Find as many letters as possible and line them up in alphabetical order in your nest (at least five!)

4

Word Scramble

What tree-words have been all messed up?

neoc bcnarh afel roto
 nedele krab pumst

Go and tell the teacher the right words!

5

Countables

Take a bag and fill it with as many natural numbers that you can find

Save the bag in your nest

6

Line up!

Stand in alphabetical order by your first name.
Ask a friend from another team to check you're right!

7

Memory

Take a good look at the words and then go and see your teacher!

ant	wasp	fox	elk	raven	wolf
squirrel		caterpillar		crow	deer
	wagtail		spider		hare
		bee		bear	

8

Adjectives

Pick up one of the stones and describe it with as many words as you can!

Put the stone in your nest

9

Sing a song...

in English to your teacher!

10

Opposites

Take a box and find things that match the words on the underside.

Put the box in your nest.

11

Move and shout!

Jump with both feet together and shout:
"This is better than computer games!"

12

Riddle

It can have many colours; like black, grey, blue and pink. You can see it all over the world. It's big and you can't touch it. It's always outside.

Go and tell your teacher what colour it has today!

13

True or False?

Pick a needle for each correct set of words:

trunk = stam

oak = ek

spruce = gran

leaf = kvist

cone = mossa

root = rot

birch = björk

branch = kotte

Save the needles in your nest!

14

New words

Find five things you don't know the name of in English.

Ask your teacher for the translation and try to figure out how to remember them!

15

Riddle

Make a riddle and tell later to the other groups

16

A Fetching Poem

Get something blue
and something new
Get a bud
and a bit of mud
A twig like a Y
and what makes you cry
A thing you can eat
and something quite sweet

...and put your poem in your nest!

17

Give all team members a hug!

18

Verbing

What can you do here? Find out at least five verbs that can be connected with this place.

Write them down and keep the note

19

Animal sounds

How do these animals sound?
Match animal with sound and go and tell your
teacher

squirrel

bee

sparrow

frog

owl

snake

duck

croak

hiss

buzz

chatter

croak

quack

chirp

20

Run like horses in a circle around your teacher
but sound like dogs!

21

Memory

Look at the things in the basket and then go to
your teacher.

22
Weight

Fetch a heavy rock. Place it on a lighter stone in your nest.

23
Length

Fetch a stick that is half a metre long and give it to your teacher.

24
Geometry

Fetch a small stick each and place the sticks in a triangle

25
Colours

How many colours can you find?

Put them in your nest
