

1

Memory

Look at the words carefully and try to remember as many as possible, then go to your teacher!

trunk log mud tussock birch
needle stump stem juniper
pine flower root rock cone moss
resin twig gravel spruce

2

Riddle

It is often round and black. It's made of rubber and there is a hole in the middle. It can also be made of wood or plastic.

Draw the answer in your book!

3

Odd and even

Fetch an odd number of leaves and an even number of sticks.

Put them in your nest

4

The Alphabet

Find one thing for each letter in the alphabet and line them up in your nest. (You may use things that don't belong in nature!)

5

Countables

Take a bag and fill it with as many natural numbers that you can find

Save the bag in your nest

6

Memory

Take a good look at the words and then go and see your teacher!

ant wasp fox elk capercaillie
 raven wolf squirrel caterpillar
magpie lynx deer wagtail spider
 bee starling bear

7

Opposites

Take a box and find things that match the descriptive words written underneath.
Put the box in your nest.

8

Word Scramble

What tree-words have been all messed up?

neco bcnarh afel roto
 scrupe needle krab
 pumst krunt brcih

Go and tell the teacher the right words!

9

Line up!

Stand in alphabetical order by your first name.
Ask a friend from another team to check you're
right!

10

True or False?

Pick a needle for each correct set of words:

stem = stjälk

leaf = kvist

pike = gädda

cone = mossa

branch = kotte

spruce = gran

juniper = en

tadpole = rishög

birch = björk

needle = barr

Save the needles in your nest!

11

Sing a song...

in English to your teacher!

12

A Fetching Poem

Get something blue
and something new
Get a bud
and a bit of mud
A twig like a Y
and what makes you cry
A thing you can eat
and something quite sweet

...and put your poem in your nest!

13

Adjectives

Pick up one of the stones and describe it with as many words as you can!

Write the words in your book
Put the stone in your nest

14

Riddle

Make a riddle and tell later to the other groups

15

Move and shout!

Jump with both feet together and shout:
"This is better than computer games!"

16

Animal sounds

How do these animals sound?
Match animal with sound and then go to your
teacher

squirrel	bee	sparrow	frog
owl	snake	duck	goose
			crow
caw	chatter	croak	buzz
hoot	honk	quack	chirp
			hiss

17

Rhymes and songs

Which rhymes and songs do you know in English?
Maybe you know one in Swedish that you can
translate? Write them down in your books or tell
another group what you've come up with!

18

Memory

Look at the things in the basket and then go to your teacher.

19

Keeping warm and friendly

Give all team members a hug!

20

Verbing

What can you do here? What do you think might have happened here? What happens here during the night?

Find out at least 10 verbs that can be connected with this place.

Do or act at least five of them and then write all of them down in your book

21

New words

Have a look around you and find five things you don't know the name of in English.

Ask your teacher for the translation and try to figure out how to remember them!

22

Weight

Fetch a heavy rock. Place it on a lighter stone in your nest.

23

Length

Fetch a stick that is half a metre long and give it to your teacher.

24

Geometry

Fetch a small stick each and place the sticks in a triangle.

25

Secret cards

Pick up a card from the bag and do what it says
